Rydale's Ultimate Guarantee

Security

At Rydale we take security very seriously.

All our doors and windows are fitted with high security multi point locks.

Our multi point window locks exceed the requirements of the British Standard BS7950 and high security door lock has been tested to achieve the performance requirements of PAS 23 and PAS 24 as well as meeting the Police-approved Secured By design specification.

Security Guarantee

We're so confident in the quality of our products and the experience of our fitting teams that we offer a guarantee that should your home be broken into through one of our windows or doors then we will replace that product free of charge*

Also, we will offer up to £1,000 compensation of the home contents in an event of a break in through our windows and doors, subject to a submitted police report. The £1,000 compensation guarantee is non-transferrable.

*This guarantee covers the products where access has been gained and not the products damaged during an attempted break in.

This guarantee is applicable to all installations fitted after the above date.
